By applying for the EPRA ICI Recovery Program (ICIRP) for the province of Quebec and signing this application:

- I agree to abide by the rules and policies outlined in the ICIRP Program guide on the EPRA-Québec website.
- I understand that violation of those rules or policies will result in removal from the EPRA ICIRP.
- I agree to send acceptable products to reuse if requested by the Generator at my own expense.
- I understand that if data sensitive products are to be included in shipments, such as CPUs, desktop and portable computers, cellular phones, etc., EPRA will not be responsible for any loss of products, data, or private information on shipped products due to theft or misplacement of these materials that are being shipped to the processor or reuser.
- I understand that EPRA will not be responsible for any liability or hazardous material clean up due to inappropriate packaging or transportation damage; any responsibility of transportation of shipment and/or hazardous material clean up remains with the Processor.

By signing below, I confirm that all the above statements are accurate and that I, the Processor, will only invoice the EPRA-Québec Program for products that originated in the province of Québec.
